ABOUT ME

PROJECTS

Personal Website

HOBBIES & INTERESTS

Motorcycling

SPOKEN LANGUAGES

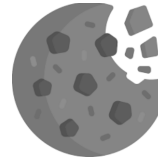

English, Turkish

Ali Mert Çakar | FRONT-END | [linkedin.com/in/ali-mert-cakar](https://www.linkedin.com/in/ali-mert-cakar)

Computer programming is not just a way to earn income, but a passion for me. Having started to programming with C# and object oriented programming, I have a strong OOP foundation. At the present time, I use JS and functional programming to develop UI/UX. I take UI designing seriously and desire a career in Front-end development
